Delmar Chamber Golf Classic

The format we are going to use this year is “4-Person Scramble.” This format features teams of 4 players competing against one another. In this format, each team's players hit from the teebox, then the team members choose the best of the four shots for the next shot. All team members then play the second shot from that location, and again choose the best shot.

As you enjoy the Green Hill Country Club of today, a most interesting history lives on. The course is an 18-hole course measuring 6,477 yards from regular tees, 6,929 yards from the championship tees, and 5,975 yards from the women's tees. The old nine holes, which are now intertwined among the new holes, are the rolling ones, as well as the most interesting.
