

We would like to welcome you to Delmar!

This is an opportunity for you, as a business owner or a resident to join our organization.

We are a highly respected organization representing both the Maryland and Delaware sides of Delmar as well as the surrounding areas, hence the name Greater Delmar Chamber of Commerce.

Our Chamber of Commerce is community, rather than politically oriented. Even though we generally do not weigh in on political based issues, we will, however, represent our business members if such legislation arises which greatly affects our business community.

The community events we sponsor (see Membership Benefits) are a major highlight in the community and are well known all over Delmarva. We look forward to continuing our traditional events and we look forward to adding more events in the future.

You can show your support of Delmar's business and residential community by becoming one of our members.

Please review the enclosed membership benefits and application and join us today.

We look forward to working with you and please feel free to contact us with any questions.

Warmest regards,

Dori Mowbray

Why Should I Join the Chamber?

The variety and scope of Chamber activities are unlimited. The Chamber represents and promotes the area's business economy and encourages business and residential opportunities. Business prospects and newcomers, the Chamber represents the community's pride and self-image.

Chambers of Commerce are increasingly involved in non-commercial areas, such as education, human relations, environmental, cultural and governmental concerns. These challenges have caused Chambers of Commerce to become a viable force in seeking solutions to today's social problems.

Increased sales volume through opportunities provided networking roundtables, luncheons, after-hours events, referrals and provision of relocation packages to those relocating to or visiting our area.
